drwho_directors *List of Dr Who directors*

Description

List of directors for all episodes from the revived Doctor Who era (2005-present)

Usage

drwho_directors

Format

This data frame contains the following columns:

story_number Story number

director Episode's director

Source

[https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_\(2005-present\)](https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_(2005-present))

Examples

```
library(dplyr)
drwho_directors %>%
  count(director) %>%
  arrange(desc(n)) %>%
  head(5)
```

drwho_episodes *List of Dr Who episodes*

Description

List of all episodes from the revived Doctor Who era (2005-present)

Usage

drwho_episodes

Format

This data frame contains the following columns:

era "classic" or "revived"
 season_number Season number
 serial_title Serial title if available
 story_number Story number
 episode_number Episode number in season
 episode_title Episode Title
 type "episode" or "special"
 first_aired Date the episode first aired in the U.K.
 production_code Episode's production code if available
 uk_viewers Number of U.K. viewers (millions)
 rating Episode's rating
 duration Episode's duration in minutes

Source

[https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_\(2005-present\)](https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_(2005-present))

Examples

```
library(dplyr)
drwho_episodes %>%
  filter(type == "special")
```

drwho_writers	<i>List of Dr Who writers</i>
---------------	-------------------------------

Description

List of writers for all episodes from the revived Doctor Who era (2005-present)

Usage

```
drwho_writers
```

Format

This data frame contains the following columns:

story_number Story number
 writer Episode's writer

Source

[https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_\(2005-present\)](https://en.wikipedia.org/wiki/List_of_Doctor_Who_episodes_(2005-present))

Examples

```
library(dplyr)
drwho_writers %>%
  count(writer) %>%
  arrange(desc(n)) %>%
  head(5)
```

torchwood_directors *List of Torchwood directors*

Description

List of directors for all episodes from Torchwood series (2006-2011)

Usage

```
torchwood_directors
```

Format

This data frame contains the following columns:

story_number Story number

director Episode's director

Source

https://en.wikipedia.org/wiki/List_of_Torchwood_episodes

Examples

```
library(dplyr)
torchwood_directors %>%
  count(director) %>%
  arrange(desc(n)) %>%
  head(5)
```

torchwood_episodes	<i>List of Torchwood episodes</i>
--------------------	-----------------------------------

Description

List of all episodes from the Torchwood series (2006-2011)

Usage

```
torchwood_episodes
```

Format

This data frame contains the following columns:

```
season_number Season number
serial_title  Serial title if available
story_number  Story number
episode_number Episode number in season
episode_title Episode Title
first_aired   Date the episode first aired in the U.K.
production_code Episode's production code if available
uk_viewers   Number of U.K. viewers (millions)
duration     Episode's duration in minutes
```

Source

https://en.wikipedia.org/wiki/List_of_Torchwood_episodes

Examples

```
library(dplyr)
torchwood_episodes %>%
  filter(uk_viewers >= 5)
```

torchwood_writers *List of Torchwood writers*

Description

List of directors for all episodes from Torchwood series (2006-2011)

Usage

```
torchwood_writers
```

Format

This data frame contains the following columns:

```
story_number Story number
```

```
writer Episode's writer
```

Source

https://en.wikipedia.org/wiki/List_of_Torchwood_episodes

Examples

```
library(dplyr)
torchwood_writers %>%
  count(writer) %>%
  arrange(desc(n)) %>%
  head(5)
```
