

Package ‘rsbp’

October 14, 2022

Type Package

Title Part Information from the Registry of Standard Biological Parts

Version 0.1.0

Description Provides an R interface to the Registry of Standard Biological Parts API maintained by the iGEM Foundation: https://igem.org/Main_Page. Facilitates retrieval of the part number, authorship, date of entry, url, short description, type, and sequence following the guidelines set forth at http://parts.igem.org/Registry_API/Guidelines. All Registry content falls under Creative Commons Attribution-ShareAlike: <https://creativecommons.org/licenses/by-sa/4.0/>.
